

Institute

Immersion Program

Year 5 and Year 6 students are invited to get a sneak peek into the thrilling world of high school with our Institute Immersion Program!

Experience hands-on learning, explore new subjects, and discover what life as a Palmview student is really like.

It's the perfect chance to make new friends, meet our fantastic teachers, and envision your future at Palmview State Secondary College!

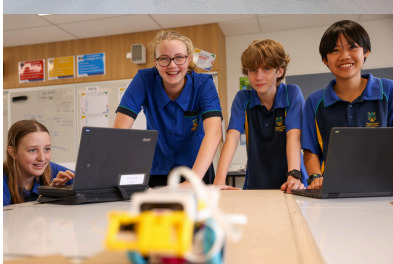

Join us for this exciting opportunity!

Our Institute Immersion Afternoons will run after school on different days in Term 2 and Term 3. Students are welcome to register for as many as they would like to attend.

Students will be under the supervision of classroom teachers throughout the sessions.

Due to supervision requirements, spaces for these sessions are limited. Priority will be given to families who have submitted their enrolment forms.

Institute

Immersion Program

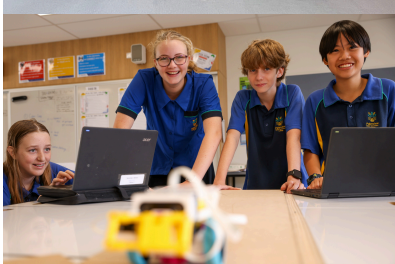

Term 2 Dates

(All sessions run 3:15pm to 4pm
at Palmview SSC)

Date	Activity
Monday 1 June	<p>Drama Workshop (Creative & Cultural Pursuits)</p> <p>Get ready for an exciting adventure! Do you love performing, even if it is just for your reflection in the mirror? Boast your confidence and teamwork skills through dynamic drama games and activities. Dive into the world of role-playing and character development as you explore voice and movement.</p>
Thursday 4 June	<p>Netball (Health & Wellbeing Pursuits)</p> <p>Join our college netballers in an open training session to improve your skills and to get to know our coaches and players. Go head-to-head in a series of exhilarating drills and games that highlight your athleticism and teamwork.</p>
Wednesday 10 June	<p>Design Technologies (STEAM – Technologies)</p> <p>Discover how ideas can be turned into real-world creations in this hands-on experience. You'll design and make your own take-home item using a laser cutter, exploring how technology and creativity come together. Test your ideas, refine your design, and leave with something uniquely yours.</p>
Thursday 11 June	<p>Music Workshop (Creative & Cultural Pursuits)</p> <p>Step into a world of rhythm and sound as you experiment with a range of instruments. Work together to create your own piece of music, exploring beats, melodies, and creative ideas. Whether you're trying something new or building on what you know, this is your chance to make some noise and have fun doing it.</p>

Institute

Immersion Program

Term 3 Dates (All sessions run 3:15pm to 4pm at Palmview SSC)	
Date	Activity
Wednesday 22 July	<p>English & Humanities (Global Learners Institute) Get ready for an afternoon of curiosity, creativity, and teamwork. You'll be immersed in a range of exciting topics as you work with others to tackle fun challenges, build new skills, and think like a problem-solver across English and Humanities. Along the way, you'll share ideas, explore new perspectives, and grow your confidence as a learner. Come along and enjoy the challenge!</p>
Wednesday 29 July	<p>Japanese Workshop (Creative & Creative Pursuits) Immerse yourself in the vibrant world of Japanese culture and everyday life. You'll explore traditions, social experiences, and simple language through fun, interactive activities. Work with others to discover new perspectives and build an understanding of how people connect and communicate in Japan. Step in and experience something new!</p>
Thursday 30 July	<p>Visual Arts (Creative & Cultural Pursuits) Unleash your imagination in an afternoon filled with colour, creativity, and hands-on making. Experiment with a variety of materials and techniques as you design and create your own unique artworks. Dive in and discover what you can bring to life!</p>
Wednesday 5 August	<p>Maths & Science (STEAM – Maths & Science) Step into the lab for an afternoon of discovery and hands-on investigation. You'll work in teams to conduct exciting experiments, test ideas, and solve problems using science and maths skills. Explore how numbers and theories come to life through real-world applications while building your confidence as a thinker. Get ready to experiment, question, and uncover new ideas!</p>
Thursday 6 August	<p>Dance Workshop (Creative & Cultural Pursuits) Get moving in an energetic and creative dance session. You'll explore different styles and learn new moves while working together to create a short routine. Build confidence, express yourself through movement, and have fun bringing ideas to life with others. Step in and see where the music takes you!</p>
