

# Get excited for Learning Enhancement At Palmview!

Our LEAP day aims to be a positive learning experience for all students, where Year 6 students will leave feeling they have learnt something, enjoyed themselves, and are inspired to come back and learn further. There is no cost to be involved - you just need to be a Year 6 student who is an independent learner, keen to discover more about College life.

LEAP will be an exciting opportunity where students engage in learning within our curriculum Institutes. Our college is organised in to:

- Global Learners – English and Humanities.
- STEAM –
  - Mathematics and Science
  - Digital and Design Technologies
- Health and Wellbeing – Health and Physical Education
- Creative and Cultural Pursuits – The Arts and Languages (Japanese)

# Learning Enhancement at Palmview (LEAP)

Students from Year 6 are invited to apply to attend our Term 4 *Learning Enhancement at Palmview (LEAP) Day*. The LEAP Day will provide students with an opportunity to enhance their learning through engaging classroom experiences in each of Institutes: Global Learners, STEAM, Creative and Cultural Pursuits, and Health and Wellbeing. Students will attend Palmview State Secondary College and work with staff and students and experience learning in the secondary environment.

(Note: students who have previously attended *LEAP Day* will not be eligible to apply)

**Students must apply for the program by completing this Expression of Interest form and adhering to submission timelines, as there are limited places available.**

## Key Dates:
