

Palmview State Secondary College

School review conducted 8 to 10 November 2023

Every Queensland state school is reviewed by the Department of Education at least once every four years. School reviews provide important feedback to support schools in continuing to deliver quality education and improve learning outcomes for students.

Review highlights

- ✓ A unique learning environment where every student strives for success.
- ✓ Positive and caring relationships support successful learning.
- ✓ Leaders are committed to all students being provided with the right tools and time to learn.
- ✓ A wide range of community connections are established to support student wellbeing.

Consultation

Total of 94 participants

**7 community members
and stakeholders**

39 school staff

33 students

15 parents and carers

Each school review generates a number of key improvement strategies to inform continuous improvement in all state schools. The next steps are...

- ➔ Strengthen lines of sight, including a continuing focus on instructional leadership, to drive the improvement agenda.
- ➔ Sharpen staff and student understanding and confidence regarding the multi-faceted aspects of the Learning Guarantee to maintain a consistent focus on agile, successful learners.
- ➔ Embed whole-school programs and initiatives, including Positive Behaviour for Learning, restorative practices, and the Student Learning and Wellbeing Framework, to support the college's positive learning culture.
- ➔ Develop processes to quality assure the precise alignment of curriculum documentation, including high-quality assessment tasks, to support implementation of the Australian Curriculum across Years 7 to 10.
- ➔ Sharpen teachers' understanding of and confidence in using high-impact teaching strategies to engage and support all students.
